

Neighbours in our community

Lunchtime Interlude Series

How well do you know your neighbour?

Would you be interested in learning more about your neighbour's culture, background and journey to New Zealand?

Do you work in a not-for-profit organisation, in the community, or a government agency? This is an opportunity to gain greater understanding and insight into the challenges of settling in a new homeland for a newcomer ("Neighbour") during your lunchtime break. Just once a month!

Join us to explore a focus country where a guest "Neighbour" will share background information about their country, culture, customs and beliefs. Learn a greeting or two in the local language and hear about their life personal account as they settle here, in their new home.
